Capability Statement

Professional offshore personnel...worldwide

- ◆ Understanding and solving clients' personnel requirements within oil, gas, telecom, marine, defence and renewable offshore industries
- ◆ Provision of competent and experienced personnel across a wide range of disciplines
- ◆ Fast, friendly and receptive service every day of the year
- ◆ In-country expertise: marine travel, visas, insurance, tax, logistics

“The ability to deploy experienced personnel...is in part testament to the level of service provided by JFR, both in the provision of technically competent industry experienced personnel and in after sales support”

James Fisher Rumic offer an integrated solution to sourcing and supplying personnel. Providing accountancy facilities including UK/CIS and overseas payroll. A proactive contractor care policy offering visa applications, travel and medical insurance with a 24 hour, 7 days a week call out service.
