

# Fender hire: the flexible option for safeguarding vessels and ports

Fendercare Marine, the leading retailer of Yokohama pneumatic fenders, offers both short-term, and long-term duration hire to our customers. We stock a wide range of high-quality fenders in sizes ranging from 0.5m x 1.0m through to 3.3m x 6.5m and 4.5m x 9.0m, that are available for immediate hire across all our global bases.

Fender rental is a cost-effective option and ideal for short-term and longer-term projects, including berthing alongside quays, and double and triple banking for stand-off requirements. Yokohama has been manufacturing floating pneumatic fenders since 1958, with many tens of thousands in use today world-wide.

## Key features include:

- Safety and reliability – fully compliant with ISO 17357
- No deterioration in performance, due to our regular service checks
- Adaptable to tide conditions
- Simple and low-cost installation

## Hire benefits include:

- Low-cost option
